### Photos

Upload five photographs of character in action at your school.

**Please note:** Character.org may use photos for communications and marketing purposes. Please make sure all photos used meet the release requirements of your school.

**PHOTO TIPS:** A great photo tells a story, revealing action or emotion. A picture of a few people doing something is much better than a group shot of people just smiling or looking at the camera. The photo should be in focus. Get close to your subject to take the photo. Please, no Word or PDF documents. **Please do not include photos of the building, posters, collages or objects.** Do not use screenshots of photos from your social media accounts.
